

Philips PowerLife
Steam iron

2400 W

40 g/min continuous steam
150 g steam boost
SteamGlide soleplate

GC2996/20

Built to perform, day after day

4x longer life with SteamGlide soleplate*

For great results day after day, you want an iron that never lets you down. With its anti-scratch SteamGlide soleplate, high consistent steam output and integrated calc-clean, this high quality iron gives you performance that lasts.

Fast & powerful crease removal

- 2400 W to heat up quickly
- Up to 150 g steam boost blasts stubborn creases
- Steam output up to 40 g/min for strong, steady performance
- Vertical steaming for hanging fabrics

Long lasting performance

- SteamGlide soleplate – superior gliding & scratch resistance
- Built-in calc-clean slider, long-lasting steam performance
- Tested cord for maximum durability and safety

Comfortable ironing

- Automatic shut-off when iron is left unattended
- Drip-stop keeps garments spotless while ironing
- Comfortable, textured handle for easy grip

PHILIPS

Highlights

2400 W to heat up quickly

Delivers a fast warm-up and powerful performance.

Steam boost up to 150 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Continuous steam up to 40g/min

Strong and consistent steam output to remove creases faster

Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

SteamGlide soleplate

Our exclusive SteamGlide soleplate moves smoothly over any fabric. A durable, 5-layer coating – including anti-corrosive base – makes it last longer. Non-stick, scratch-resistant and easy to keep clean.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.

Quality-tested cord

All our steam iron cords are rigorously tested for maximum safety and durability.

Automatic shut-off

The iron shuts itself off if you leave it standing still. On its heel rest, it will automatically switch off in 8 minutes. Lying flat, it shuts down after 30 seconds motionless.

No more messy dripping

Our Drip Stop system lets you iron delicate fabrics at low temperatures with confidence. There's no need to worry about water droplets causing stains.

Comfortable handle

A textured handle ensures you a comfortable, ergonomic grip, so you can keep hold of the iron without ever slipping.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Specifications
