COMPARISON

GLASS CONTOUR

MAXIMUM VISIBILITY: our Glass Contour has no black frame edge. This ensures you get maximum visibility of your screen.

SMART EZ APPLY® TRAY: makes applying your Glass Contour even easier and ensures it lines up perfectly everytime.

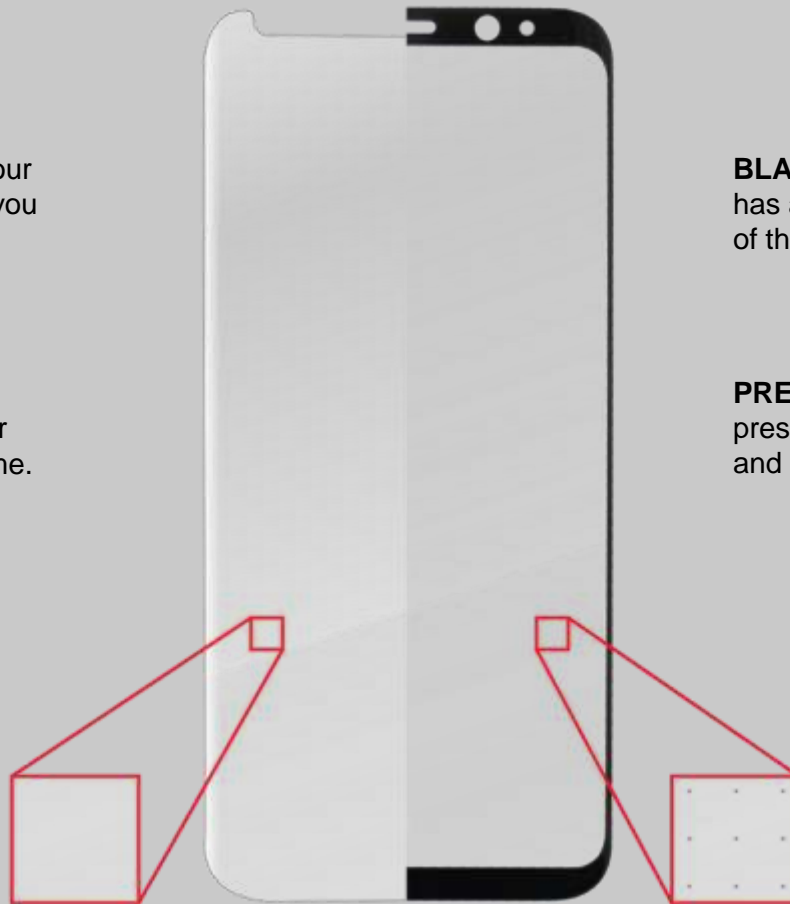

NO PRESSURE DOTS: unlike our competitor, our Glass Contour has no visible pressure dots. This is due to our new innovative adhesive which allows this to be possible.

VS

COMPETITOR GLASS

BLACK FRAME EDGE: our competitor's glass has a black frame edge which can cover parts of the screen.

PRESSURE DOTS: our competitor has visible pressure dots which can impair screen visibility and enjoyment.
